How many words classes can you find?

How many words can you find using the letters **DECORATIONS**?

They only count if you can say which word class each one belongs to.

e.g. **CAT** – Noun

Continue on the reverse of this sheet if necessary.

Identify the **main, subordinate and relative clauses** – but not the **Santa clauses**!

1. The reindeer were very tired because they had been working all night.
2. After Father Christmas had delivered all the presents, he was exhausted.
3. The elves, who had wrapped all the presents, were the first to go to sleep.

Father Christmas was in a rush (as normal) and he made a few mistakes when he wrote in his diary. Can you correct them?

Dear dairy,  
 What a night! i did'nt think that i was goin to get all the presents delivred – but we did. The Reindeer where amazing and kept going until every house had bean visited. Wos it cold. Yes it was freezing but i hardly noticed because i did'nt have time too think about it. When we finally got home i realised exactly how cold my toes where. Im warming them up know by the fire as i am writing this.

How many **verbs** can you see happening in this picture?
