

Create Your Own Story

Combine as many of these ideas as you want to create your own fantastic story!

The main character is the last human being alive.	Now is the time to be brave.	Someone has lost their memory.
It was simply too quiet.	Suddenly it went very dark.	Where are your friends when you need them?
The main character can predict the future.	A disaster is only a few hours away and there is no time to waste.	There is a feeling of déjà vu. Everything has happened before!
Someone or something is lost.	No one knew where it was hidden.	Surely that's impossible!
Everything was coming true.	Time was running out!	It had all been a dream... or had it?
They had to run away very quickly.	The creature managed to escape.	There is only one way to find out if the time machine works.
They never spoke to one another again.	Where has everyone gone?	They have to save everyone.
When they woke up – they weren't human.	The main character has an unwanted power.	Everyone is trapped!
