General Comments

General Tips

Write in third person.

Focus on what you can do now.

Include attitude towards learning.

Be positive!

English

Start with a general statement e.g. **Tom has worked really hard this year.**

Focus on reading and writing.

How has your reading / comprehension improved?

How has your writing improved?
Better organised?
Range of genres?
Awareness of audience?

Mention grammar, punctuation and spelling + speaking and listening.

General Comment

Describe what you like – your personality and general attitude towards work.

Mathematics

Start with a general statement.

Comment on mental calculations including tables, problem solving and ability to grasp new ideas.

Comment on attitude and presentation of work.

Other Subjects

Discuss successes in other school subjects.

Include information about clubs, school trips and any responsibilities.
